

Dear Parent/Guardian,

We have to do things a little differently these days in school. This is due to schools being closed for the remainder of the school year.

Since students are not at school to receive their cafeteria balances we are sending notices home with the final packets on May 1st. Charges need to be paid at the elementary campus May 4th ~ 6th between 10:45am and 2pm.

Please call the school at 903-584-3401 if you need to make an alternate payment arrangement.

Thank You!
