Makeup Work Because of Absence (ALL Grade Levels):

If a student must be absent from school (illness, illness or death in the family, family emergency, extracurricular activity, etc.), it is the student's responsibility to make arrangements with the teacher to complete all work missed. Students have three (3) days once they return to school to complete their work. If an absence is unexcused, students have 1 day to make up their work, and the highest grade possible will be 80.

Students out due to extracurricular activities shall be given the same assignment they missed; any alternate assignment must be approved by the principal. The teacher will provide notes over lectures.
