

NOTIFICATION OF CONFIRMED COVID-19 CASE ON CAMPUS

Dear Parent/Guardian,

In keeping with Neches ISD's practices to respond to COVID-19, we are notifying all student families and staff members that an individual who was lab-confirmed to have COVID-19 was present on a campus of Neches ISD.

Due to privacy requirements, we will not be releasing the name of the individual or details that may identify him or her.

We ask that you, as always, watch for symptoms of COVID-19.

Any of the following symptoms indicate a *possible* COVID-19 infection:

- Temperature of 100.0 degrees Fahrenheit or higher when taken by mouth
- Sore throat
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline)
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with a fever
- Loss of taste or smell.

If you or any member of the Neches ISD campus community begins to experience any of these symptoms in a way that is not typical, contact your physician. We encourage anyone who is lab-confirmed to have COVID-19 to please notify our school by contacting 903-584-3401.

If you have any questions or concerns, please reach out to Kristi Braaton at 903-584-3401 or braatonk@nechesisd.net.

Sincerely,

Neches ISD
