

BUILDING CHAMPIONS!

TIGER TIDBITS

Superintendent News

Good morning Tiger nation!! In my very short time here I have witnessed some excellent examples of TEAMWORK! I have witnessed our volleyball team come back from being down 2 sets, also watched them come back in the 5th set after being down 11-2 and our CC team took the top 7 spots in the district meet! These are all incredible accomplishments and none of them could have happened without teamwork.

I am challenging our staff and community members to do the same. We all have Neches on the front of our jerseys. Neches ISD can be an unstoppable force if we join together and pull in the same direction. Our kids deserve it, our staff deserves it and our community deserves it. Henry Ford once said "coming together is beginning, staying together is progress, working together is success"

I am committed to unity because I fully believe it gives our kids the best chance at success and that is my greatest mission. I wish to give our students the BEST of everything, including the BEST of opportunities to be the BEST that they can be. Please join me in this mission. If you have questions or ideas, please reach out to me at (903) 584-3311. Go Tigers!!
